## Tunbridge Board of Listers

Ben Wolfe - 889-3571

The next few months are our board's busiest time of year. We are responsible for contacting any property owners with substantial changes to their properties (for better or for worse), so we can adjust the listed value to reflect these changes. We welcome any who bring their changes to our attention, and will do our best to contact those who do not. These changes will be applied to the 2012 Grand List.

By statute, we must value properties as they exist on April 1st of each year. If we see the information is unclear or old, we may contact you to make sure we are using accurate data. ⇨

## **Tunbridge Board of Listers, Con't.**

Ben Wolfe - 889-3571

In the November TQ, we looked at Common Level of Appraisal, or CLA; the CLA describes how high or low (on average) our town assessments are compared to the actual value of the properties that sell in town. Even if our assessments are 100% on average, some listed values could (and do) turn out to be much higher than the sales, and some much lower. That's where the Coefficient of Dispersion comes in.

The Coefficient of Dispersion (COD) is a measure of equity or fairness within the town. Ideally, we would be right on the money, every time, and the variation from the CLA would be zero. If the average property sells for 10% above or 10% below the CLA, then the COD would be 10—not great but pretty respectable by most standards within Vermont.

If many properties of sell for a lot less than the listed value, and many others sell for a lot more, then the grand list is not perfectly fair. Those lower sale values are paying property tax on a value greater than he or she should have to. And a property with a sale higher value higher is paying on a listed value that is too low. As markets change, the listed values start to become unfair or inequitable within the town. The low COD shows greater fairness, and a high COD shows greater inequity. If a town's sales reflect a COD of 20 or more, it means that the average property listed value is off by at least 20% of the CLA—and any town is required by statute to reappraise to put property owners on equal footing again within the town.

Two years out from the reappraisal, our newest sales study puts our COD at 5.46. We are fortunate to have among the lowest COD's in the state. We continue a sharp learning curve as we tackle many administrative tasks that Judie has done over the years. We are thankful for her service and wish her the best.

Several interested residents have contacted us to learn about the office as they consider running for the vacancy in the board, coming up at Town Meeting in March. If you are interested, please feel free to come by, and we will be happy to talk with you and show you around. Please do not hesitate to reach us at the office, leave us a message, or stop by with any questions. We meet regularly at 9 a.m. on Tuesday in the Town Office, or we can meet with you by appointment.

## **Tunbridge Select Board**

Tom Mullen, Chair (889-9499)

Ingrid Van Steamburg (889-3459) Bob Dunkle (889-3740)

The board has been quite busy over the past few months working on the budget proposal along with other developing issues. We have put together a budget for the coming Fiscal year that can be viewed in the upcoming Town Report. We hope that everyone will take the time to look it over and bring any concerns or suggestions along with them to Town Meeting. As always we invite folks to share their thoughts at the annual meeting or to come to one of our Monthly Meetings on the 1st and 3rd Tuesdays of each month to address any concerns that they may have.

It is worthy of mention that the town will be electing a new Treasurer this year. Anne Mallary has resigned from her position as Treasurer this past November, having served the town for some 15 years. We would like to express our sincere appreciation to Anne for her dedicated years of service. We were tasked with selecting an interim Treasurer to fill the position until Town Meeting. Lynn Laskowski was selected and has been serving us diligently since the beginning of November.

We have also accepted the resignation from one of our Listers, Judie Lewis. Judie served the town for some 18 years with a passionate dedication to that position. We would like to thank Judie for all of her service and wish her the best. We chose not to fill this position for the interim. This position will also be filled by election at the annual Town Meeting.

As many of you may be aware after viewing the recent article in the "Herald", we have been made aware of some concerns regarding the First Branch Ambulance Service. FBA provides ambulance service to both Chelsea and Tunbridge and is funded equally by both towns. We invited the FBA board, as well as any other interested parties, to attend one of our regularly scheduled select board meetings to discuss the concerns. The meeting gave opportunity for all that were present to express concerns about the current status of the FBA organization, and to offer suggestions for improvement. The meeting proved to be quite productive. We have since received a response from FBA in regards to our concerns and it appears that they will be addressing these issues on a formal basis. It is our hope that we may have more information from FBA at the Town Meeting, and that there will be more opportunity for the town folk to become more informed. ⇨

## **Tunbridge School Club**

Kathi Terami- 889-5575 schoolclub@tunbridge.k12.vt.us

**Fair Supper a Success:** Chef Chad Barnaby, along with a large group of dedicated volunteers, prepared a fabulous gourmet meal following the Tunbridge Fair Association's annual meeting on December 3. Committee members Amy Frost, Elaine Howe, Christine Hoyt, Jen Thygesen and Sharon Welch helped plan the menu, recruited volunteers and sought numerous donations. TCS art students and local Girl Scouts created festive holiday centerpieces for buffet and dining tables. Several students from the 8th grade class, led by parents Rosemary Distel and Jonni Spaulding, served as wait staff for over 100 Association members and their guests. All proceeds will fund student enrichment activities and teacher appreciation at TCS. Many thanks to all parents, students, community members and businesses who helped make this event a success!

### **Holiday Breakfast & Gift Basket Enjoyed by Teachers and Staff:**

As a thank you for all they do for our students, School Club organized a holiday breakfast for teachers and staff on December 13. Parent volunteers contributed delicious items that were served buffet-style in the library before the school day began. School Club also purchased classroom and office supplies (and chocolate!) as gifts waiting for teachers and staff when they returned to school in January.

**Winter Carnival:** School Club is again partnering with Tunbridge Central School, the Tunbridge Recreation Committee, Tunbridge One Planet and the 8th Grade Class to host a two-day Winter Carnival at the school. Friday, February 24 is the School Winter Carnival for students, staff and teachers. Saturday, February 25 is the Community Winter Carnival for families and community members. Watch for details on the town website, in the Herald and posters around town.

**Upcoming Meetings:** Parents, school personnel and community members typically meet in the TCS Library at 6:30pm on the first Monday every month (or the following Monday due to a school break, holiday or inclement weather) to plan events, hear new ideas, review funding requests and manage the organization. Upcoming meetings are on February 6, March 12, April 2 and May 7. All are welcome to come to share ideas or get involved!

## **Tunbridge Select Board, Con't.**

It appears that we will have a fairly full agenda for this year's Town Meeting. There are several elected positions to be filled which occur annually. There are also a few unexpected elections as well. We are in hopes of a good turnout from the voting population. We would like to remind folks of the "appointed" positions in our town's government which are filled by the Select Board each year. These positions can be viewed in the town report. We typically appoint these positions at our first meeting following Town Meeting. If anyone has interest in these positions, or questions about the positions, please contact us or Wendy, our Administrative Assistant for more information.

As always, if anyone has concerns or questions about what is happening in our town's government please don't hesitate to call or attend one of our meetings. We look forward to the annual Town Meeting which will give all folks in attendance the opportunity to participate. Hope to see you there!

## **ECFiber**

East-Central Vermont Community Fiber-Optic Network  
Janet Zug 889-9602 Henry Swayze 889-5556

ECFiber has plans to start connecting Tunbridge customers in 2012. The minimum build for Tunbridge would cover 12+ miles of road extend kitty corner from the offices on Waterman road near Lucky's to both Strafford and Chelsea using back roads as much as possible. Whether we do this build or do even more roads is up to you. In short we need your help to make this grassroots community effort happen.

It takes capital to build a network and since we have not been able to get government nor Wall Street money to build all 23 towns at once we are now taking a locally funded incremental approach building new branches on the tree as we have investors to supply the capital. Our goal is still to service all premises in all 23 towns (something that no commercial carrier is willing to commit to). Having tested the model in Royalton-Bethel-Barnard we are now preparing to do a pass through Tunbridge, Strafford, Vershire and Chelsea called phase III.

To date investments of 1.2million have been secured in Phase I & II and customers are enjoying ECFiber's services along the initial route with more being added each week.

In Tunbridge we currently have investments totalling \$150,000. and are still looking for another \$100,000 to reach the minimum goal. The notes are sold in 2,500. increments, there is no limit to the amount one can purchase. It's a 15 year loan, with no payments in the first year, offering 6% tax free interest. This is a high interest rate for those willing to invest in the first round. This rate is likely to go down next year.

This is a very important investment in the future of Tunbridge. There is no other foreseeable way that we will be able to get true high-speed Internet to the hills of our town. If you are interested in learning more about this important investment in Tunbridge or want to learn how you can help without investing please contact Janet or Henry. <janet.zug@ecfiber.net >  
<henryswayze@gmail.com>

ECFiber is a grassroots initiative to build a state-of-the-art fiber-optic network in 23 towns, bringing reliable telephone, and high-speed Internet service directly to homes, schools, and businesses. with a focus on the unserved.

## **Tunbridge Library, Con't.**

Free, highspeed, wireless internet access is available at the library. Audio books may also be downloaded to an MP3 player. ## **Tunbridge One Planet Afterschool Program**

Phil Diamond - 889-3310

The Tunbridge One Planet after school program had a terrific second session, capped by our Holiday Week which was filled with plenty of smiles and holiday cheer. Amongst other activities, Abby Brabham helped us make breads and cookies for food baskets donated to the Food Shelf. And Michelle Farrell led us on a trip to Riverbend Residential Home in Chelsea where we handed out Christmas cards and ornaments, and sang carols. Both were very special opportunities for us to make a difference in our community.

Session three is up and running and our gymnastics activity seems to be quite the draw. Led by Stano, from Sunrise Gym in Barre, our students are learning quite a bit about the sport of body-bending.

And finally, we look forward to seeing all of you at Tunbridge's Winter Carnival. As you've read elsewhere, the carnival is going to be quite the event. We will be sponsoring an indoor activity called "The One Planet Challenge". Swing by to test your problem solving skills as you work with others to overcome obstacles of the strangest kind. Bring a focused mind, a bit of patience, and, most importantly, a good sense of teamwork. Hope to see you there!

The library is planning ahead for two major annual fundraisers: Town Meeting dinner and the Memorial Day plant, book, and bake sale. Volunteers are needed as well as donations. Donated books are gratefully accepted as long as they are in good readable condition. Donated plant pots should be 7 inches or greater in diameter. ## Tunbridge Recreation Committee

Kevin Barnaby - 889-5671

**Winter Carnival:** The Recreation Committee is teaming up again this year with Tunbridge Central School, the School Club, the 8th Grade Class, and the Tunbridge One Planet Program to present a winter carnival at TCS on Feb 24th and 25th. Friday the 24th is for students, staff, and teachers and will involve a wide range of fun activities and team-building challenges. Saturday the 25th is the Community Winter Carnival Day, which will feature sleigh rides, skating, snow-shoeing, sledding, and cross-country skiing, as well as indoor activities sponsored by the One Planet Program. The Rec Committee will be selling breakfast sandwiches along with coffee, tea, and hot chocolate in the morning, and the 8th grade class will sell hot food, beverages, and baked goods beginning at noon. The 8th grade will also host an evening movie. Look for more details on posters, the town website, and in the Herald. Meanwhile, mark the date on your calendar and think snow!

**Sunday Breakfasts:** The Recreation Committee is continuing with its second Sunday of the month breakfast fundraisers in the Town Hall. The 8th grade class has been busy doing concessions for basketball games, and will no longer be co-hosting the Sunday breakfasts. The Recreation Committee appreciated the partnership and the energy they brought to the effort. Many thanks to everyone who has helped with the breakfasts and for the many donations as well.

We are still looking for people who would be interested in joining the Committee or helping out with specific projects. We would like to thank Mary Zentara for all she has done, especially her work on the playground grant and the LWCF grant for the land purchase. Mary is stepping down from the Committee but will still be helping some with special projects.

Town Reports will be out shortly with additional Rec information. Please plan on helping with a work bee on the Rec field in late April or early May to spruce up the ball field and clean up the playground and pool area. If you have any questions you can call Kevin Barnaby.

## **State Representative**

Sarah Buxton - (802) 233-0274 (cell) sbuxton@gmail.com

The legislature has maintained a furious pace since we convened in early January. Almost immediately, we passed a bill to reimburse towns for education property taxes that were abated because of flood damage. We also responded to the recent Vermont Supreme Court case holding that information used by towns to calculate adjustments to residents' property taxes should remain private. The bill we passed holds public agencies and municipalities harmless for disclosure of property tax adjustment information while new protections are put in place to bring them in compliance with the Court's decision.

Three big bills have already made it through the House – the budget adjustment act, the House redistricting plan, and a bill to reform Vermont's mental health delivery system (i.e. the Vermont State Hospital in Waterbury). One of the proudest moments of my short political career was when I voted in favor of the House redistricting plan on Feb 1st. The act of redrawing political districts, which every state must do every ten years, is notorious for enabling partisan games. Our government operations committee worked on our maps for months - listening to towns, past and present members, and nearly every interested party you could think of. In the end, the plan was based entirely on shifts in population and not a play for power. One of the final options would have put three republicans (the minority party) in a single two-member district in order to achieve the goal of "collapsing" a district in the Rutland-Windsor area. Instead, two current members of the House (a republican and a democrat), conferred with one another over the weekend and proposed that they give up their own safe districts to become a new district and would run against each other next year. When the final bill was presented on the floor, both members rose to describe how they came to the decision because it was "best for the state of Vermont." Every member of the house appreciates the selflessness and integrity of those two men. This supports my firmly held belief that Vermont has the purest and strongest democracy in the country. ⇨

## **Tunbridge Volunteer Fire Department**

Jena Young- 889-2804

At our December business meeting we had our annual insurance coverage review with our insurance broker to go over the levels of insurance for our trucks and equipment as well as our insurance coverage in the event of an injury or death of a member in the line of duty.

A quick reminder for residents who have an alarm system that automatically sends out a call for help when triggered. If you do not need the fire department to respond, please contact 911 to cancel the automatic call for help. We have responded to more than one alarm call in the past where, upon arrival, we were told that our help was not needed.

Our annual meeting will be held on Thursday March 8th at 6:00pm at the Town Hall. Please join us for a potluck dinner & dessert followed by our business meeting. We are actively seeking members of the community who are not members of the fire department to serve on the department's Board of Trustees. A Trustee typically attends one 1-hour meeting per month on the second Thursday of each month.

Please consider serving the Department in one of these valuable roles.

Our Annual Easter Egg Hunt on the school playground will be held on April 7th this year. Mark your calendars for some fun egg hunting with your child(ren). If you have any plastic eggs you would like to recycle, just drop them off at the fire station - we are usually there each Thursday evening from 7:00 - 8:00pm. We would be happy to put them to use!

## **State Representative, Con't.**

So far this biennium, I have been the primary sponsor of twelve bills and have co-sponsored 48. I intended to introduce at least two more "short-form" bills by the end of the month. (Short-form bills are generally broad and offer the committee of jurisdiction an opportunity to study a specific policy aim.) If you are interested in researching my work, go to the legislative website at [www.leg.state.vt.us](http://www.leg.state.vt.us). Click on "find a bill" and select my name from the drop down menu. I expect that eight of the bills I drafted this year will gain some significant attention: H.395 (gravel extraction), H.563 (flood plain management), H.608 (prescription drug reporting), H.610 (sale of invasive plant species), H.651 (public funding of independent schools), H.660 (corporate campaign contribution disclosure), H.681 (small-scale dairy promotion), and H.728 (reformed meat/slaughter regulation).

As always, I appreciate hearing your comments and concerns and will do my best to answer any questions you have. See you at Town Meeting!

## **Tunbridge Neighbors Helping Neighbors**

Jim Wick- 889-889-3437

Tunbridge Neighbors Helping Neighbors has been started to help provide services to local residents through volunteer action. We have about 90 volunteers who have agreed to help. We have helped may local residents in many ways including giving rides, changing a tire, fixing a lock, helping with a computer, and so on.

If you need help with something, the number to call is:

**889-3437**

One of us will take your request and try to line up a volunteer. There is no charge for the service and you don't have to join anything. There are no dues or fees. We are being supported by generous donations from local residents and businesses.

This service is for anyone. Our emphasis will be to provide services for seniors, but anyone is eligible. If the request is reasonable and we can find a volunteer, we will do it. Everyone needs help with something sometime, so please call.

Board Members: Felicity Swayze, Brenda Field, Pam Dietz, Adam Smith, Jim Wick, David Wolfe, Bill Gefell, Lee Banas. Call any of us if you need more information.

## **Tunbridge Planning Commission**

Sue Clark 889-3733

PC continues to work on the Town Plan update with the assistance of TRORC and funding through a State Municipal Planning Grant. Most of the work on the update revolves around the "Patterns of Settlement" project. We will be reaching out to a handful of residents for interviews on the changes to their farms over the last 50 years.

We also are working on the update to the Flood Plain Hazard Ordinance. Everyone can expect to hear more about flooding hazards and resulting bylaws/ordinances to prevent future disasters.

Not only is this a topic for the Tunbridge Planning Commission but it is also being discussed at the Legislature. Stay tuned.

## **Heating Fuel Assistance Fund**

Ben Wolfe - 889-9467

The Tunbridge Fuel Assistance Fund is made up entirely of donations, and it is used to administer no-interest loans for residents. These loans are designed for any who find it difficult or impossible to pay the full price of a fuel delivery amount all at once. Residents with a large fuel payment are then able to spread the cost out over a longer period of the year, allowing them to make ends meet. The Tunbridge Fuel Assistance Committee is very grateful for the generous donations that have been given to the Fund. The 250th T-Shirt fundraiser has strengthened the fund for the need ahead, and any further donations are most welcome. Contributions can be made to the "Town of Tunbridge" with "Fuel Assistance" in the memo line. They may be sent to the Town Treasurer; P.O. Box 6; Tunbridge, VT 05077.

While the State of Vermont and Central Vermont Community Action Council do give grants for fuel, these are rapidly exhausted and are not necessarily large enough to fund a delivery of fuel. If you apply for these grants and still need help, consider applying for a loan. Our Fund only administers loans, not grants. However, there is no income ceiling, since we realize a wide range of households are finding budgets extremely tight. If you find that this describes your situation, please consider applying--- the Tunbridge community wants to help! You can find applications at the Tunbridge Town Clerk's office, the Food Shelf, and the Public Library, and they are available on the Tunbridge town website at:

[www.tunbridgvt.com/residents/groups/tfac/](http://www.tunbridgvt.com/residents/groups/tfac/)

If you have ideas, concerns, or questions please feel free to call Ben Wolfe, or send an email to [tunbridge.fuel.assistance@gmail.com](mailto:tunbridge.fuel.assistance@gmail.com)

We are having our electricity brought up to code upstairs, we did the downstairs last winter. We are hoping to earn enough money to put up new steps and a handicap ramp in the back.
