---

**Article 1. Authority.** Under the authority granted in 24 V.S.A. § 2291(20), the Town of Tunbridge hereby adopts the following policy concerning conflicts of interest and ethical conduct.

**Article 2. Purpose.** The purpose of this policy is to ensure that the business of this municipality will be conducted in such a way that no public officer of the municipality will gain a personal or financial advantage from their work for the municipality so that the public trust in its officers will be preserved and to ensure that all members of the municipality are treated equitably. It is also the intent of this policy to ensure that all decisions made by public officers are based on the best interests of the municipality.

**Article 3. Application.** This policy applies to all individuals elected or statutorily-appointed to perform executive, administrative, legislative, or quasi-judicial functions of the Town of Tunbridge.

**Article 4. Definitions.** For the purposes of this policy, the following definitions shall apply:

A. **Conflict of interest** means any of the following:

1. A real or seeming incompatibility between a public officer's private interests and their public or fiduciary interests to the municipality they serve. A conflict of interest arises when there is a direct or indirect personal or financial interest of a public officer or a person or group closely tied with the officer including their spouse, household member, child, stepchild, parent, grandparent, grandchild, sibling, sibling of their parent, sibling-in-law, business associate, or employer or employee in the outcome of an official act or action, or any other matter pending before the officer or before the public body in which the public officer holds office. A conflict of interest may take any of the four following forms:
  - a. A direct financial conflict of interest arises when a public officer acts on a matter that has a direct financial impact on that officer.
  - b. An indirect financial conflict of interest arises when a public officer acts on a matter that has a financial impact on a person or group closely tied to the officer.
  - c. A direct personal conflict of interest arises when a public officer acts on a matter that has a direct impact on the officer in a non-financial way but is of significant importance to the officer.
  - d. An indirect personal conflict of interest arises when a public officer acts on a matter in which the officer's judgment may be affected because of a familial or personal relationship or membership in some organization and a desire to help that person or organization further its own interests.
2. A situation where a public officer has publicly displayed a prejudgment of the merits of a particular quasi-judicial proceeding. This shall not apply to a member's particular political views or general opinion on a given issue.
3. A situation where a public officer has not disclosed ex parte communication(s) related to a quasi-judicial proceeding that is before the body to which that officer belongs.

A "conflict of interest" does not arise in the case of an official act or action in which the public officer has a personal or financial interest in the outcome, such as in the establishment of a tax rate, that is no greater than that of other persons generally affected by the decision.

B. **Discrimination** means conduct directed at an individual based on their race, creed, color, place of birth, ancestry, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, marital

status, service in the armed forces of the United States, positive HIV-related test results, genetic information, or against qualified individuals with disabilities on the basis of disability and/or any other status or characteristic as defined and to the extent protected by applicable law which impacts that individual's access to or participation in the Town of Tunbridge's programs or services.

C. **Emergency** means an imminent threat or peril to the public health, safety, or welfare.

D. **Ex Parte Communication** means direct or indirect communication between a member of a public body and any party, party's representative, party's counsel or any person interested in the outcome of a quasi-judicial proceeding, that occurs outside the proceeding and concerns the substance or merits of the proceeding.

E. **Harassment** is discriminatory behavior which is defined as verbal, written, or physical conduct based on or motivated by an individual's actual or perceived sex, sexual orientation, gender identity or expression, race, creed, color, place of birth, ancestry, ethnicity, religion, national origin, age, disability, marital status, or other characteristics as defined and protected by law in the location where a particular program is operating, that has the purpose or effect, from the point of view of a reasonable person, of objectively and substantially:

1. Undermining and detracting from or interfering with an individual's access to or participation in the Town of Tunbridge's services; or
2. Creating an intimidating, hostile, or offensive environment.

Harassment may include repeated slurs, or taunts in the guise of jokes, or disparaging references to others, use of epithets, stereotypes, comments, gestures, threats, graffiti, display or circulation of written or visual materials, taunts on manner of speech, and negative reference to customs when such conduct is based on or motivated by one or more of the protected characteristics identified above, or other characteristics as defined and protected by applicable law.

F. **Official act or action** means any legislative, administrative or quasi-judicial act performed by any public officer while acting on behalf of the municipality. This term does not apply to ministerial acts or actions wherein no discretionary judgment is exercised.

G. **Protected Class** means one of the enumerated classes protected under State and Federal Law, including but not limited to, gender (sex, sexual orientation, gender identity or expression), race, color, ethnicity, place of origin, religion, disability, age, veteran status, marital status, etc...

H. **Public body** means any board, council, commission, or committee of the municipality.

I. **Public interest** means an interest of the municipality, conferred generally upon all residents of the municipality.

J. **Public officer** means a person elected or statutorily-appointed to perform executive, administrative, legislative, or quasi-judicial functions for the municipality. This term does not include municipal employees.

**Article 12. Exception.** The recusal provisions of Article 8 shall not apply if the Town of Tunbridge Selectboard determines that an emergency exists or that actions of a quasi-judicial public body otherwise could not take place. In such a case, a public officer who has reason to believe they have a conflict of interest shall only be required to disclose such conflict as provided in Article 6.
