

The Tunbridge Planning Commission and Trails Committee will be holding two meetings to finalize recommendations to the Selectboard regarding Class IV roads and legal trails. On September 1, everyone interested is welcome to attend a session where we will break into small groups to have collaborative dialogue. On September 8, we will present our draft recommendations for feedback and additional discussion.

If you plan on participating, please come ready to have respectful disagreements, rich conversation, and an opportunity to find middle ground that is right for our community.

Specific information:

Dates - September 1 and September 8

Time - 6pm-8pm

Location - fairgrounds, outside of the Dodge-Gilman building. Rain location is the grandstand.
