

**Minutes Sept. 28, 2018**  
**Trustee of Public Funds Meeting**

The Trustees of Public Funds for the town of Tunbridge met on Sept. 28, 2018. All members were present.

Minutes for the previous meeting held in June were approved as presented. After opening the mail, which includes the monthly financial statements for investments, the trustees found the accounts to be in good order and gaining.

There was one request for funds from the Tunbridge Library trustees for \$5000 to help meet their operating expenses for the year. Based on the total amount in their account, this was less than 2 ½ % of the total investment. The request was approved.

Anticipating the request for a report from the town auditors for the annual town report, Matt will contact Omar and Derrick who help to manage our investments and they will help to create our annual report.

Meeting adjourned.

Rob Howe, Sec.
