**TUNBRIDGE**  
V E R M O N T

**TRANSFER STATION  
POLICY**

In order to better serve our townspeople, the following policy regarding items and quantities are hereby put in place.

The Town of Tunbridge would like to encourage its residents to deliver a consistent stream of transfer station items instead of a “spring cleaning” type of delivery. This helps ensure proper space for all the residents to be able to unload their items each week.

Items Accepted at this location:

Please familiarize yourself with all acceptable and unacceptable materials listed below prior to visiting this location.

**Trash** (such as household waste)

**Recycling**- *two tote size containers per household per visit* (such as cardboard, paper, plastics, metal cans, and glass)

**Yard Waste** (such as brush, leaves, and lawn clippings)

**Food Scraps** (such as fruits, vegetables, meats, dairy, oils, coffee and prepared foods).

Items NOT accepted at this location:

*We suggest using ARC or Bethel Royalton Transfer station for the following items.*

If you have a material that is not accepted at this location please find another location, or for more information, contact the Town of Tunbridge.

**Bulky Items** (such as furniture, appliances, mattresses, and carpet)

**Hazardous Waste** (such as chemicals, paint and cleaning fluids)

**Universal Waste** (such as batteries, ballasts and light bulbs)

**Electronic Waste** (such as TV's, monitors, computers, printers, stereos)

**Construction & Demolition Debris** (such as drywall, metal, shingles, clean wood & concrete)

Once a year we host a collection date for hazardous waste materials listed above.

Adopted by the Selectboard this \_\_\_\_\_ day of \_\_\_\_\_ 2021.
