### **Road Report- via Mike McPhetres**

Honing is being done and stones are getting put out on the worst parts of the roads. Trucks are running well. Hoyt is concerned about a sap truck using Flint Bridge. Hoyt is going to get ahold of Chris Bump and have him send an engineer out to look at the Flint Bridge. We will most likely get a grant to fix up the bridge since it is in need of repairs. Will decide soon if we need to have the sap truck take an alternate route. Bought new cutting edges for the hone and the grader. Hoyt still wants to get gravel up to Brocklebank. Tentative figure for a new dump truck is around \$275,000.

### **Liquor License Approval**

McPhetres makes a motion to allow Brocklebank Brewing LLC have a one time occasion liquor permit. O'Brien seconds. All aye. So moved.

### **CVSWMD Hazardous Waste Day**

The Selectboard approves the Hazardous Waste Day Event on June 10<sup>th</sup>, 2023 at the Transfer Station.

### **Lighting Estimate- Janet Zug**

Received an estimate from Dave Eddy. All bulbs will be changed to LED's which will work on the main switch and be a bright white and the other switch would be a less bright and more warm light. Eddy will also address the light in the hallway. Eddy would be able to do it soon, even this week. The total estimate is \$2500. McPhetres makes a motion to have Dave Eddy install new light bulbs and fix the switches for not more than \$2500. O'Brien seconds. All aye. So moved.

### **Noise Ordinance Draft**

Cilley hands out the Noise Ordinance Draft to the Selectboard to look over for the following meeting.

### **Other Business:**

McPhetres talked to the Listers about the land that was proposed to be purchased with ARPA money. Currently the taxes are around \$400. If someone put a \$150,000 house on this property it would be around \$3800 in taxes. McPhetres will find out if the guy is in a rush to sell and if not then we will have more time to discuss and if he is then we will go from there.

Charlotte Mullen- Rented the Town Hall over the past weekend and says there is a major bug problem. Would suggest that we consult with an exterminator. Cilley will call Judy Howe and have her get in contact with an exterminator.

Porter Woodworking Bulletin Board: O'Brien states that we should pay the total invoice amount of \$2500 and will be reimbursed out of ARPA funds. McPhetres seconds. All aye. So moved.

Cilley received a call from Casella's regarding the fuses on the compactor. Cilley will reach out to Simon Bradford and see who can rewire the electrical at the Transfer Station.

**Approve Warrants:**

McPhetres makes a motion to let Mullen sign the orders. O'Brien seconds. All aye. So moved. All warrants were signed and approved.

**Approve Minutes:**
