Road Report- Rodney Hoyt

The ton truck will be in the shop at least two more weeks. They are still trying to find a bearing for it. The tractor leaves tomorrow for Syracuse, NY to have the transmission rebuilt. Pickett has been bringing stuff up from Lebanon. So far he has brought six loads up. Hoyt is going to have him bring up $\frac{3}{4}$ instead of $1\frac{1}{4}$. He is going to try this new material on Recreation Road. Aldrighetti was over today to talk to Hoyt about getting the road fixed on Kelsey Mountain. Hoyt has talked to Pike and Blaktop and is waiting for quotes from them. Hoyt is trying to get a few other contracts for FEMA to cover the cost of a bridge repair on Whitney Hill.

Mowing Bid Update

Cilley states that there are no mowing bids. Adam Kenyon is willing to mow for the Town and will get his regular rate. The Selectboard is looking into getting a mower and weed-wacker for the town's property. Cilley will reach out to Kenyon and let him know he can move forward with this position.

Memorial Day Recap

The Selectboard thought the ceremony was excellent at the Hoyt Memorial Park. They were happy with the policing coverage and thought it went well. Still hoping to get someone who will be in charge of the Memorial Day Parade and services as well as advertising etc.

Town Alcohol Policy

The Selectboard looks over the Alcohol Policy. They ask Cilley to reach out to the Sheriff to look over our policy and see what he thinks. Cilley will also look into adding cannabis to the policy and including locations like the Town Forest.

Other Business:

Brenda Field states that years ago she received written permission to use her four wheeler on the roads during emergency events. She would like to renew this now that we have a new Sheriff and will be having more police coverage.

Sue Salster stated that years ago there was a speed study conducted on her road to get a speed limit sign put up. Cilley will locate the speed study.

Peter Hayden states that it is illegal to consume cannabis in public in Vermont at a state level.

Gary Mullen signs the Warranty Deed in response to the motion made last week for approving the \$900 offer package from VTrans.

Mullen also signs a 30 day extension for the Listers to lodge the Grand List.

Kevin Barnaby Property: McPhetres states that we need to get his daughter in here and talk with her about the property. Cilley will ask her to join for the next meeting.

Brent Lindstrom joins the meeting to talk about the issue with his river bank eroding into the river and he is losing parts of his property. Cilley will reach out to someone from ANR to take a look and see what can be done.

Cilley and crew shows up to finish the meeting by discussing two liquor licenses that need approval. The Selectboard unanimously approves.
