

DRAFT

The Tunbridge Fuel Assistance Committee met on April 8, 2025 at the Town Office.

The meeting was called to order by Anne Mallary, Chair, at 12:35 pm with the following members present: Anne Mallary, Becky Hoyt, Shari Murawski and Helen O'Donnell.

Becky Hoyt moved to approve the minutes of 3-18-2025. Seconded by Shari Murawski. So moved by voice vote.

Anne Mallary had printed out the Website page for our review. We went through it by paragraph and made changes that fit our current situation. Shari Murawski agreed to work on a list of resources that will be posted on the website as well. Anne will revise and send to committee members for approval.

Discussed doing a Fall mailing to make our presence known and possibly get donations and maybe volunteers for the committee.

Next on the agenda was the By-Laws.

Anne had worked on narrowing it down to three pages and eleven sections. We worked on each paragraph and made changes accordingly. Anne will redo the changes and send to committee members. It might be possible for committee to approve at our next meeting. If so, Becky will try and get on the Selectboard agenda for their May 13th meeting.

We began brainstorming for how we will do the application.

Next meeting: TUES, MAY 13, 2025.

Motion to adjourn by Helen O'Donnell, seconded by Shari Murawski. Adjourned at 1:50 pm.

Respectfully,
Helen O'Donnell, Sec.
