

The Tunbridge Fuel Assistance Committee met at a duly warned meeting on Tuesday, January 13, 2026 at the Town Office at 12:30 pm.

Members present: Anne Mallary, Shari Murawski, Becky Hoyt, Helen O'Donnell. The meeting was called to order at 12:34 by Chair, Anne Mallary.

A motion by Becky Hoyt to approve the minutes of 10-28-25. Second by Shari Murawski. So moved by a voice vote.

No applications have been submitted to date.

Discussion followed. We realized the application was not on the website as yet, in a downloadable form, nor were the minutes of our last meeting. Becky sent them during the meeting.

We agreed that the applications had still been available at the town office and with all Committee members had somebody needed to get one before it was on the website.

Discussion of more ways to get the word out. We put it in the Tunbridge quarterly, TQ, which had recently been mailed out. Thoughts about posters, also decided we would contact Kay Jorgensen, church contact, to see if she would be interested in having applications on hand. Shari volunteered to call her.

Town Report- Becky Hoyt sent the same report that was in the TQ to Annissa Morrison, Auditor, for our 2026 Town Report.

Under other business, we discussed trying to get more members going forward. Each current member will be looking for new people before our next meeting. We also briefly talked about changing our time and date should new members not be able to do daytime meetings.

Next Official Meeting: TUESDAY, MARCH 17, 2026, 12:30 PM.

Helen O'Donnell moved to adjourn, Second by Shari Murawski. So moved. Adjourned at 1:36 pm.

Respectfully,
Helen O'Donnell, Secretary
